

HURT NO LIVING THING

Hurt no living thing:
Ladybird, nor butterfly,
Nor moth with dusty wing,
Nor cricket chirping cheerily,
Nor grasshopper so light of leap,
Nor dancing gnat, nor beetle fat,
Nor harmless worms that creep.

Hurt No Living Thing

A detailed illustration of a dragonfly perched on a mossy log in a pond, surrounded by various insects and plants. The dragonfly is the central focus, with its long body and transparent wings clearly visible. The scene is set in a natural, watery environment with green foliage and other small insects like a grasshopper and a gnat. The overall tone is peaceful and naturalistic.
