QUICK STEPS TO HELP YOU RESELL THIS COURSE

Welcome, we thought we would share a quick step for those who are looking for a quick and fast way to start selling this course and digital products from your social media accounts .

I believe the quickest way is by setting up a Stan store to your social media account (this is total optional) the course currently has 3-4 other suggestions and teaches you how to for each one. but i find this one to be the quickest and easiest for you to get started asap, and then you can always upgrade when your ready,if you choose Stan store there is a full module that shows you step by step here - called Bypass Funnels With STAN STORE , I also have a Free guide that covers everything about setting up your Stan store here

How Do You Sell The Course?

You'll be using your personal 'invite link' to the Skool Community just like you noticed right here in this Welcome Email.

How Do You Find Your Personal Link?

you go into the DWA course → Community → Settings → Invite

DO NOT get your 'invite' link confused with a section that says referral - that's NOT it.

Once you dive into the course - if you decide to use Stan Store for your products - this link gives you a 14 DAY FREE TRIAL: - CLICK HERE

Then follow along on the module to learn how to get setup-

please note:

This course must not be sold for any less then \$497usd ,refer to the MRR legal documents module in the course for more information.

WHAT IS DIGITAL MARKETING?

Digital marketing is the online promotion of brands, product and services, in order to connect with potential customers.

Your digital marketing business can be set up in a way that requires minimum future work from you, and yet yields maximum results passively.

It's a field of work that is insanely broad - there are countless ways of growing a successful business with digital marketing, whether you'd like to do this part-time or full-time, whether you'd like to grow a marketing business from scratch, or apply it to your pre-existing business...

LET'S TALK numbers

Once you learn from all of the DWA modules, you will see the value in what they provide so much, that you might decide to spread the word about DWA and resell it to your own audience.

YES! You can do this! Through Master Resell Rights. & here's what that could look like for you:

1 COURSE SALE A WEEK AT \$500 = \$2,000 A MONTH

5 COURSE SALES A WEEK AT \$500 = 10,000 A MONTH

1 COURSE SALE A DAY AT \$500 = \$15,000 A MONTH
3 COURSE SALES A DAY AT \$500 = \$45,000 A MONTH
