

BAREFOOTCHILD

THANK YOU FOR
DOWNLOADING OUR

24X MINI

lifecycle FLASHCARDS

- To be printed on A4 size paper (thick cardstock looks best for flashcards, or laminate for durability) **TIP:** as these flashcards contain a transparent background you can print on various different coloured paper instead of just plain white, try a natural brown /carboard cardstock or parchment paper, for a natural feel :)

- - once printed out , simply cut around borders to form your mini lifecycle flashcards and bookmark !

Some ideas on how you can use these flashcards include:

- use them alongside your existing nature studies
- add to your morning baskets or provocation tables, alongside any lifecycle figurines you may have,
- punch holes on the side and add twine to create a mini pocket book
- punch holes on top and add twine to create a hanging lifecycle banner

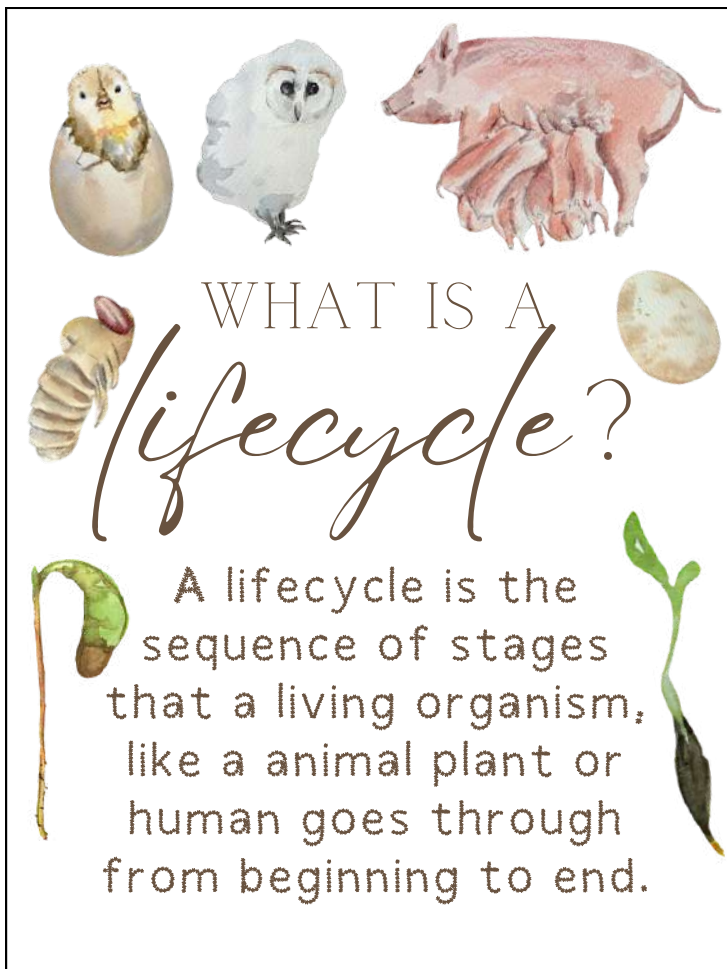

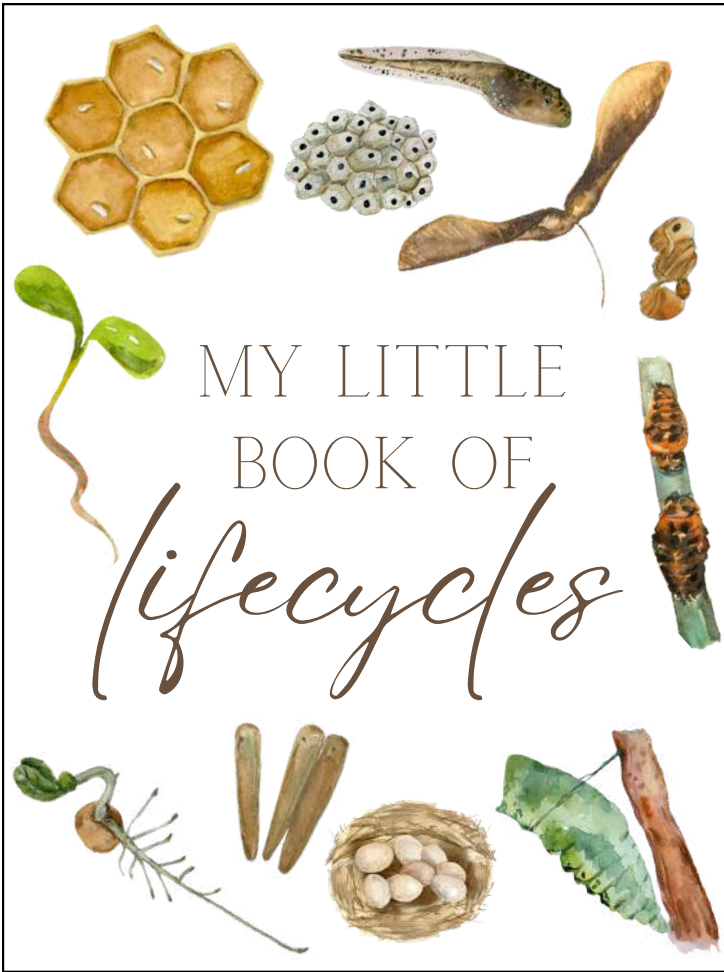

What included in this pack

mini flashcard lifecycles of

sunflower, praying mantis , snail , fox , snail,dandelion , maple tree , bee , cosmos flower , sea turtle,ant , chicken , ladybug, butterfly , cow,mosquito , watermelon , blueberry , owl, pig , pea,strawberry , turkey , frog, **PLUS** my little book of lifecycles front flashcard cover (if you want to turn it into a book , and information flashcard of what a lifecycle is and a bookmark

we would love to see how you use our flashcards, feel free to tag us on instagram
