BarefootChild Hand Crafted

Dried floral Alphabet pack

To be printed on A4 size paper, then cut out (thick cardstock or laminate flashcards work best).

-bunting is to be cut out and hole punched- add string through each one to create your bunting ,

Bunting can be usedas: hang in classroom,home-school room,use certain letters in your bunting to spell certain words, like spring,our homeschool or your childs name (even use for birthday party) any other ideas you may have.

-Use flashcards how you like , some ideas include:

- Add to your nature inspired morning baskets as the letter of the day, get your child to create that letter using nature loose parts,paint and any other manipulative you have
- double print flashcards and get your child to spell words out using flashcards eg:
THEIR NAME
- Double print and play memory match game or any other way you come up with to use flashcards
