14X NATURE MANIPULATIVE LOOSE PART MATS

DIRECTIONS

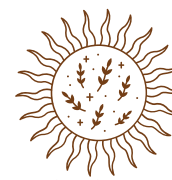

Each of the 14 nature patterns comes with a small (flashcard size) and a large A4 size mat - this pdf is to be printed on A4 size paper Simply print, laminate and cut out smaller flashcards to form your mats.

HOW TO USE:

Set up in your stem or provocation area and watch children challenge themselves!! Get children to manipulate each mat with their own versions and creations using either loose parts, nature finds or playdough!
